Champion Female _____ Reserve Female _____

A class of females being judged at the show last year. This sale is noted for its outstanding quality.

This will be the fifth annual “Best of Midwest” sale. The previous four have seen some outstanding cattle go through the ring and they have gone on to make friends for Shorthorns and repeat customers for this sale.

I believe this is the strongest group that has ever been put forward at this sale. The pedigrees are impeccable and the individuals are there to back it up. Many have been winners at the strongest shows. Great breeding bulls are represented.

Be sure to attend the Leveldale Investment sale on November 9 and then join the consignors to the Best of Midwest Sale for a buffet dinner at the Holiday Inn in Springfield that evening. We will look forward to seeing you there.

Don Longley, Sale Manager

Standard Guarantee

ENDORSED BY THE AMERICAN SHORTHORN BREEDING ASSOCIATION

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.

2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.

3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.

4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.

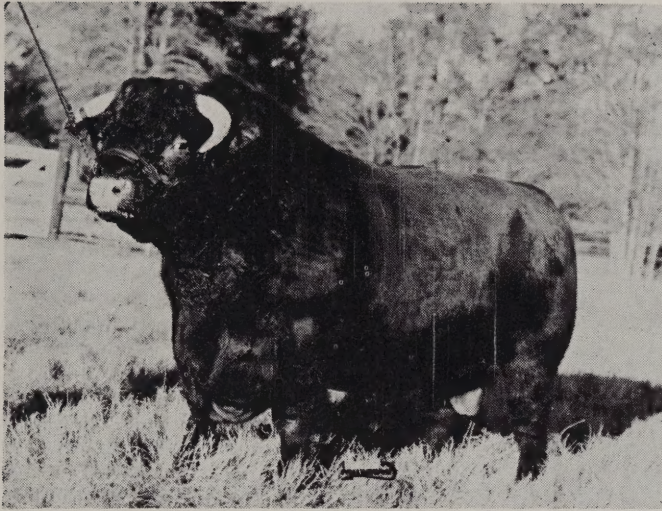

5. All animals catalogued have been tested for T. B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.

6. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.

7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.

All prospective buyers should check health requirements of their states.

As a safeguard to prospective buyers, every animal has successfully passed a clean abortion blood test within 30 days prior to the sale, or will have Certificates of Bangs Calfhood Vaccination, and those that are not from Accredited herds have passed a clean Tuberculin test within the same period. Health certificates will be provided with each lot sold.

BO WOOD RADCLIFFE 22nd—A rugged, low-set calf that looks more like his sire each day. He was weaned early but is coming along. His dam is a member of the family that produced Bo Wood Radcliffe, the son of Leveldale Radcliffe, who established a Pike County sale record price for bulls selling at \$1,205.

Be sure to attend the Leveldale Sale on Nov. 9, then join the consignors to the Best of Midwest sale for a buffet dinner and social hour at the Holiday Inn in Springfield that evening at 6:00 o'clock.

Glastullich Sunshine one of the top bulls in the first Northwood sale going to Emile J. and John Cammaert, Rockyford, Alberta. He is the sire of Lot 17.

MACBETH COUNTESS LASS 3rd—By Sandoon Sensation bred by A. C. McDermott of Canada. Sensation was second at the Canadian National and was a top winner and one of the high priced bulls at the Canadian National sale. The dam of this heifer is by Leveldale Regalia, one of the best sires we ever owned. Gene Mathers said Orange Fluff, the granddam of Sensation was one of the best that ever left Scotland. This is a rich pedigree and a good heifer. Vaccinated and sells open.

D F Principal Commodore, second prize junior bull calf at the International. Lot 44 is one of his first calves.
